

Meet Progyny

Benefits designed with you & your family in mind

We are proud to partner with Progyny to provide comprehensive care to our employees across life's milestones. Progyny is a transformative fertility, family building, and women's health benefits solution with a range of benefits covering family building and menopause care.

Your Progyny benefits include **concierge support** from a dedicated care team, **access to care** from Progyny's expert provider and partner networks, and **exclusive resources**.

Fertility & Family Building

Comprehensive care to support you through each stage of your family building journey.

- Unlimited concierge support from a Patient Care Advocate (PCA)
- Inclusive treatment coverage to support all paths to parenthood
- Access to the top fertility specialists for the care you need to build your family
- Personalized support, education, and digital tools to support family planning

Menopause & Midlife

Personalized virtual care to address symptoms due to hormonal changes.

- Unlimited concierge support from a Menopause Patient Care Advocate (PCA)
- Virtual access to perimenopause and menopause experts for personalized care
- Hormonal and non-hormonal treatment options to address your specific symptoms
- Care to support nutrition and weight management, sleep, mental health care, and more

To learn more, call your dedicated Patient Care Advocate at: 833.210.4631

Please note, the person(s) receiving services must be enrolled in an eligible medical plan through your employer to have access to the Progyny benefit. You may be subject to financial responsibility according to your plan.
